## STATE MOTORCYCLE RIDER EDUCATION PROGRAMS – 2024

This chart provides information about rider education programs in states which have legislated programs. The Legislative Provisions section only includes major provisions included in each state’s law as of September 2024. Many state laws have additional provisions. State agencies also may have adopted administrative rules, regulations or standards. It is necessary to refer to the actual laws and regulations for complete

program information. The Department of Defense has also adopted motorcycle safety guidelines, including requiring motorcycle rider training, for all four military services, as has the U.S. Coast Guard. Training is nationwide; please call (800) 446-9227 or go to [www.msf-usa.org](http://www.msf-usa.org) to locate a *RiderCourse*<sup>sm</sup> provider near you.

Legislative Provisions					Program Information*		
State	Source of Funding	Stipulated Uses of Funding	Other Program Requirements	Administering Agency - Effective Date of Original Law	Reported Annual Budget (2024)	Novice Students Trained (2024)	Novice Student’s Tuition
Alabama	10% of money collected from \$7 fine assessed on traffic infraction convictions	For the sole purpose of conducting programs in traffic safety, motorcycle safety and boating safety.	License exam waived for course graduates.	Alabama Traffic Safety Center, University of Montevallo - August 8, 1987	\$58,950	544 (2023 Information)	\$225

Department of Safety - July 1, 1988	\$555,700	7,852	Varies

## Legislative Provisions

## Program Information\*

State	Source of Funding	Stipulated Uses of Funding	Other Program Requirements	Administering Agency - Effective Date of Original Law	Reported Annual Budget (2024)	Novice Students Trained (2024)	Novice Student's Tuition
Texas	Motorcycle license/ endorsement renewal - \$5/6 yrs.; license application - \$5; license exam - \$5	To defray costs of administering the motorcycle operator training and safety program and conducting the motorcyclist safety and share the road campaign.	Program to provide information and courses for motorcyclists and sharing the roadway information for the public. Program shall use curricula approved by the state agency administering the program and MSF instructor certification requirements. Safety Coordinator to supervise program, including course location, fees, instructor qualifications, instructor certification and program sponsor requirements. Program Director must be an MSF Chief Instructor. Prescribes grounds for disapproval of instructor or program sponsor. Comptroller to report condition of motorcycle education fund account biennially to Governor and Legislature. Motorcycle operator training and safety program providers to report monthly to agency. Designated state agency to maintain and update monthly compilation of reports on site-by-site basis and to provide most recent compilation to any member of legislature on request without charge. Tuition authorized by DPS. All riders must pass course prior to licensing.	Department of Public Safety - September 1, 1983	\$642,415	23,144	Varies
Utah	Annual motorcycle registration - \$5; 6-month motorcycle registration - \$4; motorcycle endorsement, renewal or extension - \$2.50/8 yrs.; donations, gifts, and grants	For the motorcycle rider education program, including administration, novice and experienced training courses, and instructor training. Division to set limit on reimbursements to course providers based on available funds.	Program to include, at minimum, novice and experienced training courses and instructor training. Courses open to residents with valid driver's license or eligible for motorcycle permit and to residents who are at least age 15 ½ with a learner permit as prescribed. Adequate courses shall be provided to meet demand. Completion certificates to be issued. Full-time program coordinator to oversee and direct program, including instructor approval. Course and instructor training and approval standards prescribed; must meet or exceed the MSF's. Instructor must have current certification from the MSF or other national certifying body. Tuition rate must reflect state reimbursement. 2-month motorcycle learner permit holding period requirement for riders under 19 may be waived if course has been completed. Promote motorcycle safety awareness. 5-member advisory committee created.	Driver's License Division, Department of Public Safety - July 1, 1993	\$511,600	3,966 <small>(2023 Information)</small>	\$230 <small>(Average)</small>
Vermont	Motorcycle registration - \$2.50; motorcycle learner's permit - \$2; motorcycle endorsement - \$3/yr.	For administration and expenses of the motorcycle rider training program and reimbursement of organizations with course sites.	Program to focus on training for inexperienced operators; must include, at minimum, rider training courses and instructor training. Adequate courses shall be provided to meet demand. DMV to: adopt rules; set standards, including the MSF's; issue completion certificates; set reasonable tuition. Program Coordinator to oversee and direct program; set program and funding guidelines; conduct annual evaluation. One or more training specialists; duties prescribed. Minimum instructor qualifications prescribed. Instructors may administer endorsement exam and skills test. Course will be required for first-time motorcycle permit or license applicants prior to licensing, when Commissioner determines that program can operate effectively and meet demand. Commissioner may require applicant's successful completion of approved classroom training curriculum before motorcycle learner permit or motorcycle endorsement is issued.	Department of Motor Vehicles - June 21, 1990	n/a	761	\$195

## Legislative Provisions

## Program Information\*

State	Source of Funding	Stipulated Uses of Funding	Other Program Requirements	Administering Agency - Effective Date of Original Law	Reported Annual Budget (2024)	Novice Students Trained (2024)	Novice Student's Tuition
Virginia	Motorcycle registration - \$3; motorcycle license endorsement - \$2/yr.; motorcycle learner's permit - \$3; motorcycle inspection fee - \$1.50	To be used as necessary for: administering motorcycle rider safety training courses; funding of approved regional training centers for conducting courses; related purposes.	DMV to approve facilities, equipment, curriculum, accreditation, and geographic areas in which motorcycle rider safety training center may offer courses. Specifies minimum instructor qualifications. Program to provide novice, experienced or sidecar and 3-wheeled motorcyclists' courses or any of the three rider training courses. Provides maximum students per course specifications. All courses to include alcohol and drug effects education and review of VA laws and rules of the road applicable to motorcycles. Specifies reporting requirements for training centers. Applicant who fails to pass motorcycle driver's exam twice must successfully complete course prior to licensing.	Department of Motor Vehicles - May 1, 1985	\$2,300,000	11,277 (2023 Information)	\$150 – \$349
Washington	Motorcycle endorsement application - \$5; initial motorcycle endorsement - \$12/6 yrs.; endorsement renewal - \$30/6 yrs.; motorcycle instruction permit or renewal - \$15	For expenses incurred in administering the motorcycle operator license requirement and the motorcycle operator training and education program.	Program priorities: public awareness, education programs, classroom and hands-on training, and improved operator testing. Program to include separate novice and advanced skills education course for operators of 2-and 3-wheeled motorcycles; minimum of 8 hours, maximum of 16 hours. Tuition limited to \$50 for WA residents under age 18 and to \$125 for WA residents age 18 or older and military personnel of any age stationed in WA. DOL to: encourage use of loan motorcycles; require biennial program report, as prescribed; compile statistics. Instructors must conduct at least 3 classes per year. 5-member advisory board created. Riders under 18 must pass an approved course prior to licensing. Knowledge and skills test waived for successful completion of an approved rider training course.	Department of Licensing - June 10, 1982	\$1,936,323	11,807	\$80 (subsidy paid per course); varies (non-subsidized course)
West Virginia	Motorcycle-only license - \$2.50/yr.; motorcycle endorsement - \$1/yr.; motorcycle safety fee - \$5.50/yr.	Solely for purposes specified in the motorcycle safety education article. To defray cost of administering and implementing the motorcycle safety education program.	Program to include rider and instructor training courses. DMV to: establish course and instructor standards; issue completion certificates; and set maximum tuition. Program coordinator to oversee and direct program and conduct annual evaluation. Courses open to residents who are eligible for a motorcycle permit. Adequate courses shall be provided to meet anticipated demand. License test may be waived upon successful course completion. Creates 8-member motorcycle safety awareness board.	Division of Motor Vehicles - July 1, 1992	\$185,000	516	\$100 (in-state); \$269 (out-of-state)
Wisconsin	Appropriation from Transportation Fund; Share the Road license plates fee - \$25	DOT may make grants for establishment of courses.	Program to include, at minimum, operator skills training, safety education and public awareness, as prescribed. DOT to adopt rules. Before licensing riders under 18 or applicants who fail license skills test twice, riders must pass a basic course. Limit of 3 learner's permits issued to applicant who hasn't graduated from course. License skills test waived for successful completion of an approved rider training course. Point reduction for rider course completion.	Bureau of Transportation Safety, Department of Transportation - May 1, 1982	\$654,000 (2014 Information)	6,400 (2017 Information)	\$250 – \$430 (2017 Information)

Legislative Provisions				Program Information*			
State	Source of Funding	Stipulated Uses of Funding	Other Program Requirements	Administering Agency - Effective Date of Original Law	Reported Annual Budget (2024)	Novice Students Trained (2024)	Novice Student's Tuition
Wyoming	Motorcycle registration - \$7; motorcycle license - \$3/4 yrs.	Only for administration and implementation of program, including defraying expenses of offering rider training courses either directly or by contract.	Program to provide, at minimum: novice rider training courses; instructor training and approval. Courses open to residents with a valid driver's license or eligible for motorcycle permit. Sufficient courses shall be provided throughout the state to meet reasonably anticipated demand. Program coordinator to oversee and direct program. DOT to issue completion certificates; establish rules; set program standards, as specified. Standards for rider courses and instructor training and approval must meet or exceed national standards. Instructor must have current valid certification from the MSF or other nationally recognized certifying body. <i>RiderCourse</i> <sup>SM</sup> fees must be set low to encourage participation, but must defray costs.	Department of Transportation - February 24, 1995	\$210,000	1,200 (2023 Information)	\$50 (in-state); \$150 (out-of-state)

\*As reported by the administering agency.

The Motorcycle Safety Foundation's Government Relations Office compiled this summary. Although it represents information from the most authoritative sources available as of the date shown, the MSF is not responsible for accuracy or completeness.
